

Thank you for your recent membership enquiry.

Bletchingley is a family owned Golf Club that first opened for play in September 1993. The course is surrounded by beautiful undulating countryside, with many mature trees and panoramic views overlooking the North Downs and Weald. It is built on sand, which means we remain open when many other golf courses are closed due to wet weather. At 6513 yards the course offers a varied and challenging par of 72.

We have a pleasant and friendly Clubhouse providing excellent facilities for our members and guests. Our restaurant serves splendid food, and our large function room can seat up to 120 covers. The Professional Shop is always well stocked with equipment and clothing at competitive prices, and we provide an excellent teaching service, including a state of the art video/computer digital facility, for all abilities.

There are thriving Men's, Ladies, Business Ladies, Seniors and Juniors Sections, with many organised golfing competitions and social events.

Should you require any further information please call a member of the management team on 01883 744666 who will be very happy to assist you.

Thank you for your interest in Bletchingley Golf Club and we look forward to welcoming you here in the very near future.

Kind regards

Steven Cookson

18-30's Membership

This category of membership was introduced at Bletchingley in 2009. In recent years it has become increasingly apparent that at this stage of a young adult's life financial commitments and young families take priority over golf membership.

Our aim at Bletchingley is to make golf membership more affordable and to provide first class facilities, set in a relaxed environment overlooking the North Downs. With 18-30's Membership this will be available to you seven days a week and will cost you as little as £7.00 per week. We feel this is value for money and as a member you will have the opportunity to take advantage of the benefits that are listed below.

- *Reciprocal arrangement with clubs in the local area, with a token green fee attached.*
- *Organised competitions throughout the year*
- *Organised club matches with local clubs*
- *Social functions*
- *Reduced guest green fees*
- *Reduced bar prices*

But most of all making sure you have FUN!

You will have access to play our fantastic 18 hole golf course and competitions will be arranged so you can meet and play with people of a similar standard.

This category of membership was new for 2009 and we hope it will encourage the much younger golfer and help to produce a budding star of the future.

When playing on the course, the Academy Member will need to be accompanied by an older junior or playing adult. Academy Members will have the option of starting each hole from the 150 yard marker, so they are not overpowered by the full length of the course, thus making the game of golf as enjoyable as possible.

Group lessons will be available to all Junior Academy Members on a monthly basis with our resident **PGA Professional** to enhance their progress.

The course will be available to play from 3:00pm in the Summer and 1:00pm in the Winter, seven days a week.

General Information

Equal Opportunities

In keeping with today's modern society, we offer equal opportunities to men, women and children. At the same time we maintain our traditional thriving Men's, Ladies, Business Ladies, Seniors and Juniors Sections, with their many organised golfing competitions and social events. Men and women can both compete in all the stableford, major trophy and team competitions throughout the year. Seven-day category members are encouraged to meet new people by playing in the regular swindles on Saturday and Sunday mornings. During the week we have very active Seniors and Ladies Sections but if you do not fit into either of these categories we also have an over 50's group who play on Wednesday mornings. Midweek medals and stablefords are held on the first and third Wednesday of each month.
